Product Description

4S Wildlife Solutions - 20% Plus Gravity Pellets

Our top-of-the-line 20% premium deer pellets - made specifically for efficiency in gravity fed deer feeders. These pellets are a high protein complete ration feed to be fed during the growing months-*Spring & Summer*. This feed consists of high quality by-pass protein, non by-pass protein, vitamins, chelated minerals and elevated levels of fat/energy. It also contains our proprietary researched HEAT formula: a specific solution for the nutrients a deer requires to support health, reproduction and growth.

- **MADE FOR GRAVITY FEEDERS:** A deer pellet designed to be used with gravity fed deer feeders
 - **COMPLETE RATION FEED:** From protein to vitamins & minerals, everything a deer's body needs & craves packed into a sole ration. Organic dewormer, organic tick control, 2 different kinds of chelated minerals & more.
 - **PROPRIETARY HEAT FORMULA:** Prebiotics, Probiotics, Yeast Cell Walls Extract and Essential Fatty Acids
 - **MAXIMIZES GROWTH POTENTIAL:** Gives deer the nutrients they need to grow to their full potential
 - **HIGH PALATABILITY:** Balanced rations & strong attracting flavor to keep deer around
 - **PROTEIN PACKED:** 20% Protein rations (*We guarantee 20% but our most recent monthly quality control tests show protein rations around 22% as fed*)
-
