### Product Description

## 4S Wildlife Solutions - ASF 500lb Stand and Fill Feeder

The **500lb Stand & Fill™** protein feeder offers the quality and durability of ASF evolution protein feeders, with a low profile design that allows customers a much safer more convenient way to fill your feeder.

Hand made in Texas by All Seasons Feeders!

- Elongated sight glass
- Protein Evo head design
- Made with 16 gauge steel
- Varmint and weather resistant
- Adjustable baffles to regulate feed flow
- Low profile construction for easy filling

**Holds 500lbs of Corn or 420lbs of Pellets**
