Product Description

Tactacam - REVEAL X 2.0 Cellular Camera

Tactacam's REVEAL X 2.0 combines long-lasting power performance with remarkable image quality, day or night. X 2.0 comes with the low-glow IR advantage, delivering the fastest shutter trigger, longest range detection, and clearest image captures with minimal to no motion blur, even at night! Weather-resistant body, instant photo delivery, and simple operation make this a must-have cellular camera for all remote or outdoor observation.
