## **Product Description**

## **EB252 Handheld Blower**

Shindaiwa Blowers feature two of the largest displacement engines in the backpack market and two of the most powerful handheld models. Each backpack model features double-adjusting shoulder straps, padded backrests and ergonomically positioned controls for all day comfort. The handheld blower is durable and powerful, offering excellent fuel efficiency.

## **Features:**

- 25.4 cc professional-grade, 2-stroke engine for outstanding performance
- 453 CFM, 170 MPH, and 15.8 N performance
- Double-grid design reduces intake clogging
- Exclusive curved blower tube provides rotational control to reduce user fatigue
- Posi-loc pipes for a secure connection
- Shoulder harness attachment points reduce user fatigue
