## **Product Description**

## EB262 Handheld Blower

Shindaiwa Blowers feature two of the largest displacement engines in the backpack market and two of the most powerful handheld models. Each backpack model features double-adjusting shoulder straps, padded backrests and ergonomically positioned controls for all day comfort. The handheld blower is durable and powerful, offering excellent fuel efficiency.

## **Features:**

- 25.4 cc professional-grade 2-stroke engine
- Pleated paper main filter plus foam prefilter for performance in dusty conditions
- Secondary handle improves maneuverability and comfort
- Variable cruise control allows the user to lock the throttle at a variety of settings
- Chrome-plated cylinder increases engine life
- Double-grid design reduces clogging and interference with user's clothing
- Rubber grip increases comfort and reduces vibration
- Shoulder harness attachment points allow the use for a shoulder harness (sold separately) to support the weight of the unit
