Product Description

Husqvarna 572 XP 24” Chainsaw

Tested in the world’s most rugged environments, the Husqvarna 572 XP® is ready for demanding work by forestry and tree care professionals. At just 14.5 lbs, the 572 XP® has a better power-to-weight ratio and 12% higher cutting capacity than previous Husqvarna models in the same class. Excellent cooling and heavy-duty filtration maximize reliability, while a smart design accommodates longer guide bars. Thanks to AutoTune™, Air Injection™, and low vibration technology, the 572 XP® empowers you to work all day. Get ready to cut faster, longer, and better than ever with the 572 XP®.

Features -

- Higher cutting capacity
